

St Mary's Primary School PE and Sports Grant 2016/17 - Plan and end of year impact report

The Government is providing funding to improve provision of physical education (PE) and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head Teachers to spend on improving the quality of PE and school sport for all their children.

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

St Mary's Primary School has been granted £11,992
