

Pick'n'mix

R.E

Write a poem about yourself; express everything that is wonderful and unique about you.

'So, God created man in his own image, in the image of God he created him; male and female he created them.' Genesis 1:27

Maths

One and a half acres of forest are lost every second according to Save the Amazon website.

Research what an acre is. Perhaps you could measure it out at the park- it's roughly the size of a football pitch! Can you work out how much forest is lost in a minute, an hour, a day or a week?

Literacy

Write a poem or a story about the creatures of the Amazon.

Science

Make a diorama (3D Model) of the Amazon Basin.

Art

Create a collage of the Amazon rainforest, layer your picture to recreate the density of the forest **or** create an abstract jungle themed; mixed media piece using leaves.
