Mrs Charnley's Message:

What a difference the sun makes! Break times have been filled with laughter and play, long may it continue. I have been particularly moved this week with the wonderful children we have in school. To see children in year 6 receive the power of the Holy Spirit as they were Confirmed by Bishop Paul last Tuesday evening was so special. It made me very proud to see our children sharing their faith.

Next week will be my final week in school for this academic year. Although it does sadden me that I will be missing all the wonderful things that mark the end of a school year, it will mean that I am 'fighting fit' for September to welcome you all back.

I do hope the warm weather stays with us and you have a lovely restful weekend enjoying family time together.

Wonderful Work Week

Pupils have come home today with their special books that give you a snapshot of learning across the week and there will be a comments page for you to celebrate your child(rens) learning!

Supervision Before and After School

Thank you for your support in keeping our children safe before and after school on the front yard. Please continue to ensure that all children are supervised on the front playground before the start of school and at end of the day. For health and safety reasons children are NOT permitted to use the trim trail without the supervision of a member of staff. Children are NOT permitted to use the trim trail at any time before or after school. The gate is closed at these times and children are not permitted to 'hop' over the wall.
