

## **Pick'n'mix**

### **R.E**

Create a 'Laudato Si' advent calendar. Behind every door give yourself a challenge where you can make our earthly home a better place for everyone.

### **Maths**

Create a family tree going back as far as you can. Make a timeline and plot your family's birth dates along the time line. Add up all the birth years of the people that live in your house, who will have the oldest and youngest combined household?

### **Science/Art**

Take an A4 colour photo of you and a family member. Cut both pictures into strips, lengthways and stick a strip from each picture down alternately. One strip of your face, then a strip of your family members face. Examine both of your features when the strips are complete. What do you notice?

### **Literacy**

Write a biography of Sir David Attenborough. Why is he famous and why is he called a national treasure?

### **ICT**

Create your own 'Amazon Geography' quiz using 2quiz on Purple Mash. You must focus on the physical geography of the region. I have set a 2do for you!

### **DT**

Go to the shops and investigate different types of packaging for chocolates. As we get nearer to Christmas there will be some very interesting shapes and designs out there!

After investigating different types of packaging, create your own packaging for a Christmas cake using cardboard. What shape net will you create and how will your design make me want to buy it?
