

We are starting the new year by learning about 'People Who Help Us'. We are so grateful for all of the hard work that you put into the previous term's homework challenges, and ask for this homework book to be returned by Monday 3rd February so that we have time to share our learning as a class!

Pick 'n' mix

Literacy

Pretend to be a "Phonic Firefighter". Write some of your phonic sounds in orange, dotted around a page or using chalk on the ground and then hurry to put a blue circle around each one as your adult calls them out. Eg. "Put out the 't' flame."

Maths

Help your grown ups to lay the table ready for a healthy meal. Check how many knives and forks you will need by counting the guests.

PE

Design a work out for you and your family to do together. For example 5 star jumps, 3 sit ups and a jog around the garden.

Science

Draw a poster to encourage family and friends to brush their teeth. What tips can you give them?

Make and Do

Make some healthy flapjack or a different healthy snack (but ask an adult to help you).

RE

Discuss how to show love to God's neighbours. Children could try writing a prayer about somebody special that they think is a neighbour to them.
