

## Class 4 Homeworking Pack

Homework diary - record all of your home work each day, what you completed and how long it took you. You should also add any notes to say whether you found the work tricky.

Green book – English Tasks   Blue book – Maths tasks   Purple Mash – login

Creative Challenge task:

We have been studying Macbeth in class and we have really enjoyed it. I would like you to have a go at making your own Globe Theatre where most of William Shakespeare's plays would have been performed. I have attached some paper models and templates which you could use or if you're are feeling super creative you could do some research and make one of your own. You could even make lolly stick characters from Macbeth and perform the play for your family.

Maths:

There are 5 activities on sheets related to addition and subtraction. There are problem solving sheets too. I would also expect you to practice on Hit the button <https://www.topmarks.co.uk/maths-games/hit-the-button> . TT Rockstars and make use of the Daily Ten <https://www.topmarks.co.uk/maths-games/daily10>.

English:

There is a reading comprehension, 5 grammar tasks, spelling activities and I have given you additional reading books which you must read each day. If you finish these you can read books from home or blogs online. There are additional games which can be played online <https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar>

You must also write a story of your own based on 'The Cave' reading comprehension.
