Area and perimeter <https://www.bbc.co.uk/bitesize/topics/zvmxsbk/articles/zsr4k7h>
<https://www.bbc.co.uk/bitesize/clips/zwsvcdm>

Watch the clips above to remind yourself about area and perimeter. If you have one measure your garden and calculate the area and perimeter in metres squared and metres. Then design using your measurements design your dream garden perhaps it will include a BBQ area, a football pitch or maybe a swimming pool? Don't forget to plan and measure carefully the sizes with your ruler. Can you calculate the area and perimeter of all the features in your dream garden? How much area will be covered by grass?

Click on the link to Cafod; select The Annunciation Pack in The resource pack of the week section. Think about all of the questions on the worksheet and answer them in your book. Can you remember at least three other occasions in the Bible where God has spoken or sent angels to deliver news? Find and use the scripture references and create a God who speaks booklet.

Science

We have been learning about the circulatory system in class. I would like you to research which exercise is the best at raising your pulse rate and therefore the exercise for a healthy heart. Record your measurements and consider how you will make your tests fair and what your variables could be.
