

St Mary's Catholic Primary school remote learning planner Class 3

Week beginning: 18th May 2020 – if you have any queries regarding your child's learning please email your child's teacher- taylor@lea-st-marys.lancs.sch.uk We would love to see pictures of your home projects too!

This week is our stay at home sports day. Remember that you have been challenged to walk 300 steps (or further) and then send me a picture of where you end up. This could range from the end of your street, the middle of a field or next to your fridge (if you are doing it indoors). Once you have completed your rainbow walk get an adult to send me a picture and I will upload it to our sports day page- <https://www.justgiving.com/fundraising/stmaryssportsday> I look forward to seeing your photos!!!

Mr Taylor

English

Non-chronological reports- Watch the following clip which explains the features of a non-chronological report.

<https://www.bbc.co.uk/teach/class-clips-video/how-to-write-a-nonchronological-report/zvbtscw>

I want you to write a non-chronological report which has complex sentences in it. Read the following website to remind your self what a complex sentence is.

<https://www.bbc.co.uk/bitesize/topics/z4hrt39/articles/zfxfwty>

Think of your favourite celebrity, musician, sportsperson or hero. Write a formal report about them.

Remember to use these points:

Research your topic first

- Brief introduction
- Sub-headings
- Formal language
- Complex sentences
- Facts only
- Clear layout

Look at this example if you need help. https://kids.kiddle.co/Jessica_Ennis-Hill

Spelling

<http://www.ictgames.com/mobilePage/lcwc/index.html>

Choose the year $\frac{3}{4}$ button, practise the tricky words list 7 and 8.

2. Practise using any of the methods we have learnt-

- Pyramid words
- Say, copy, cover, write, check
- Spiral words
- Picture words

Can you put the words into sentences which make sense? Why not get an adult to give you a spelling test at the end of the week?

Maths

For a maths starter visit the following website

<https://www.topmarks.co.uk/maths-games/daily10> Choose level 3 or 4 and practise multiplication questions. You can choose the time you are allowed and the questions change every time you play.

This week we are going to learn about measuring. Remember that we measure mass in grams and kilo grams. Watch the following clip to remind you.

<https://www.bbc.co.uk/teach/class-clips-video/maths-ks2-weighing-and-measuring/zrpvcqt>

Can you solve the supermarket mayhem problem I have uploaded to our page?
Try levels 1 and 2 on the following website.

R.E

Sunday 31st May is Pentecost Sunday. This tells of when the Holy Spirit visited the disciples after Jesus had ascended to heaven. Read the story here <https://cist.org.uk/pv/cm/cr5621.htm> Or watch the story in lego here

<https://www.bing.com/videos/search?q=pentecost+ks2&&view=detail&mid=52BF0817154606B2945752BF0817154606B29457&&FORM=VDRVRV> !!!

How could you retell this important story? Could you make a model of it with lego or other building/ creative materials? Could you sketch it showing the Holy Spirit arriving in the room like tongues of fire? Or could you retell it as if you were there? I like forward to seeing your creative ideas!

https://www.transum.org/Maths/Activity/Reading_Scales/Default.asp?Level=1

Here is an extra challenge to test your problem-solving skills.

<https://nrich.maths.org/1130>. Take your time with it and don't worry if you keep getting wrong answers, just keep trying!

If you need more maths there are ready made packs for each year group on the following website.

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/> Week 4

History

Romans

We are going to learn about how Boudica led a rebellion against the Roman army in Britain. Watch the clip on the following website

<https://www.bbc.co.uk/teach/class-clips-video/history-ks2-the-roman-invasion-animation/zmyhf4j>

Make notes as you watch it about what you learn. Once you have watched it log in to Purple mash and look at your 2dos. You can see a slideshow showing images of Boudica's statue in London.

After that complete the 'All about Boudica' activity. Use all that you know to create an information booklet about this interesting person from history.

PE/Art

As part of our stay at home sports day complete the following.

- 1- Have an opening ceremony. Using junk modelling from around your house create a sports day torch and send me a picture.
- 2- Create an obstacle course in your house/ garden. Make sure that it is safe!
- 3- Choose a song and create a dance to start our sports day. What would be an appropriately inspiring song?
- 4- Design and make a healthy snack which would help you hit peak performance on sports day.
- 5- Design and draw a mascot for your sports day. Here are some Olympic mascots to help you.

Any of the above activities could make our sports day page!!
