

St Mary's Catholic Primary school remote learning planner Class 3

**Week beginning: 4th May 2020 - if you have any queries regarding your child's learning please email your child's teacher-
taylor@lea-st-marys.lancs.sch.uk We would love to see pictures of your home projects too!**

I have been blown away by all the work I have been sent this week! On our class page you will see lots of pictures of amazing work! As well as this, I have loved seeing all the purple Mash activities you have been completing. Well done to everyone who has made our class page. If you haven't made our page yet, why not try this week? All the best and remember to be good Eat learners with the following work.

Mr Taylor

<p style="text-align: center;"><u>English</u></p> <p>Newspaper reports. What do you remember from our previous learning about the features of newspaper reports? Visit this website to remind you https://www.bbc.co.uk/bitesize/topics/z2yycdm/articles/z2gk9qt You are going to write a newspaper report that has the following</p> <ol style="list-style-type: none"> 1. A snappy headline 2. An opening paragraph with the 5ws (who, what, where, why, when?) 3. Written in columns 4. A picture with a caption 5. An interview with someone in quotation marks. <p>Watch the following clip.- https://www.literacyshed.com/the-lighthouse.html How could you report upon the incident in the lighthouse? What snappy headline could you use? Who could you interview? Create your own newspaper front page.</p>	<p style="text-align: center;"><u>Spelling</u></p> <p>http://www.ictgames.com/mobilePage/lcwc/index.html Choose the year $\frac{3}{4}$ button, practise the tricky words list 3 and 4.</p> <ol style="list-style-type: none"> 2. Practise using any of the methods we have learnt- <ul style="list-style-type: none"> • Pyramid words • Say, copy, cover, write, check • Spiral words • Picture words <p>Can you put the words into sentences which make sense? Why not get an adult to give you a spelling test at the end of the week?</p>
<p style="text-align: center;"><u>Maths</u></p> <p>For a maths starter visit the following website https://www.topmarks.co.uk/maths-games/daily10 Choose level 3 or 4 and practise addition and subtraction questions. You can choose the time you are allowed and the questions change every time you play. New Learning- Area Watch the following clip about how to work out area https://www.bbc.co.uk/bitesize/topics/zjbq87h/articles/zwqt6fr Watch the clip on the following website which should remind you about the difference between area and perimeter, can you answer the questions at the end? https://www.bbc.co.uk/teach/class-clips-video/maths-ks2-understanding-area-and-perimeter/zb87t39 Can you find the area and perimeter of the 10 shapes on the following website? https://www.mathplayground.com/area_perimeter.html Can you complete this challenge work? https://nrich.maths.org/7280/note</p>	<p style="text-align: center;"><u>R.E</u></p> <p>I am sure that you have heard the story about Colonel Tom Moore. https://www.bbc.co.uk/news/uk-52316856 This Friday we celebrate the 75th anniversary of VE day, when the Second World War ended. We owe so much to the brave men and women who served us in this time. Much like today, people had to put others before themselves to serve their country. Write a thank you prayer for the people who helped our country in the second world war. Could you also link it to people who are helping us today?</p> <p><u>History</u></p> <p>Linking with the above, I have set you a 2do on purple mash to write a newspaper front page about VE day. Have a look at it. I would love some examples on our class page!</p>
<p style="text-align: center;"><u>Science</u></p> <p>This week we are learning about seed dispersal. This is how seeds travel from a plant to grow into new plants. Can you find the different ways that seeds can travel on the following website? https://byjus.com/biology/seed-dispersal/#types-of-seed-dispersal Watch the following clip to see the different ways seeds disperse. https://www.bbc.co.uk/bitesize/clips/znvfb9q</p>	<p style="text-align: center;"><u>Art</u></p> <p>Read the following website to learn how VE day was celebrated 75 years ago. https://www.bbc.co.uk/newsround/48201749 Many people had parties dressed in red, white and blue. Can you make something for your own VE day party on Friday? This could include 1- Red, white and blue bunting.</p>

You could research more about seed dispersal before making your own fact file.
Can you sketch some examples of plants that travel using the different methods of dispersal?

2- Decorated place mats.
3- A design for a commemorative coin.
I would love to fill our class page with our VE day work!
