Overseas Development

What actions will you take to bring hope today?

"All it takes is one
good person to
restore hope."

Pope Francis

Catholic Agency for
Overseas Development

Lord God,
Help us to appreciate your gift of water.
As we drink, wash, cook, clean and grow,
remind us how brilliant water is
and how precious it is too.
We pray for people living without clean water.
Help us to build a world
Where everyone has the water they need.
Amen

We need water every day. In the space around the prayer, draw a picture each time you use water today.
At the end of the day, share the prayer with your family.
