

St Mary's Catholic Primary school remote learning planner Week beginning: 15th June 2020 – if you have any queries regarding your child's learning please email your child's teacher at shoulder@lea-st-marys.lancs.sch.uk. We would love to see pictures of your home projects too!

Ancient Greece

English

- This week we are going to revisit modal verbs. I'm asking you to follow the English home learning pack carefully for Year 5 week 5 here:- <https://www.hamilton-trust.org.uk/blog/learning-home-packs/>
- For each of the days you have tasks and activities to work through, read or watch. It is important that you watch the power point presentations to support your learning.
- Reading – J K Rowling has given free access to her new book 'The Ickabog.' Why not try it here <https://www.theickabog.com/home/> Don't forget to complete your reading diary if this is your reading choice this week.
- If you have finished your reading books there are some free audiobooks which you can choose on here. You should select from the either the elementary or tween sections.

History Project: The Ancient Greeks – Art and design

This week I'd like you to have a go at recreating an ancient Greek Vase. Greek vases usually told stories, the remnants of these ancient vases give historians lots of information about what life would have been like in Ancient Greece. The picture of the vase here shows a chariot race from the ancient Olympic games.

I would like you to design a vase which either depicts a significant event in your own life (tells your life story) or perhaps you could design a coronavirus vase as if a person in ancient Greece were to have experienced lockdown! What information would you put on your vases for the archaeologists of tomorrow to discover? Be as adventurous as you like when drawing and designing your Greek vase. Maybe if you have some salt and flour at home you could make a salt dough vase and decorate it.

Maths

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

These are home learning packs which focus on particular topics. Each day has practice sheets and reminder learning slides to support you in your work. Remember to watch the Power points to help you too. You do not need to print off the sheets just do your working in your maths books. Have a look and explore the packs before you begin.

Year 6 should select **Year Six-week 10**

Year 5 should select **Year Five-week 10**

You should also be trying to improve your fluency using TT Rockstar's, Hit the Button and Daily Ten. Try one of these games as a warm-up every day for 5-10 minutes.

R.E

Monday 15th June is the Feast of Corpus Christi. Read the attached power point and complete the questions on the work sheet then write an acrostic poem using the word **transubstantiation** which explains lots of information about this Feast day.

French

Listen to these songs, their 'job' is to help you remember the months of the Year in French.

https://www.youtube.com/watch?v=7_u2SigckNQ

<https://www.youtube.com/watch?v=-gmg23JrItc>

Now try to write your own song or rap to help you remember them. You can be as creative as you like and use whatever recording devices you have access to – don't forget purple mash! I have attached a French months of the year dice game for you to play too.
