

**St Mary's Catholic Primary school remote learning planner Week beginning: 8<sup>th</sup> June 2020** – if you have any queries regarding your child's learning please email your child's teacher at [shoulder@lea-st-marys.lancs.sch.uk](mailto:shoulder@lea-st-marys.lancs.sch.uk). We would love to see pictures of your home projects too!

### The Ancient Greeks

#### English

- This week our English work is all about Aesop and his fables. I have attached an English timetable for you to work through this week. There are some information sheets for you to use too.
- If you have finished your reading books there are some free audiobooks which you can choose on here. You should select from the either the elementary or tween sections.

#### History Project: The Ancient Greeks

We will continue to work on our Ancient Greek projects this week, I can't wait to see some of the wonderful work you have completed. I have given you an information booklet (you can print this off or read on the screen) to help get you started but this needn't be your only source. Just like in class, I expect you to conduct your own research and find answers to the questions you want answered. I have attached a project booklet for you to work through. You can print this off at home if you have access to a printer. If you do not have access to a printer there is no need to worry. Look at the activities and the LO for each task and then complete your own version of the task to show me what you have learnt or found out about.  
Useful link to BBC bitesize: <https://www.bbc.co.uk/bitesize/topics/z87tn39>

#### Maths

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/>  
These are home learning packs which focus on particular topics. Each day has practice sheets and reminder learning slides to support you in your work. You do not need to print off the sheets just do your working in your maths books. Have a look and explore the packs before you begin.

**Year 6** should select **Year Six-week 9**

**Year 5** should select **Year Five-week 9**

You should also be trying to improve your fluency using TT Rockstar's, Hit the Button and Daily Ten. Try one of these games as a warm-up every day for 5-10 minutes.

#### R.E

This week on the television, you will have seen that there have been protests about racism. Some people are treated differently because of the colour of their skin by people who are different to them. We have talked in R.E. about how some people are treated unfairly because of where they are born, the country they come from or because of their appearance. We know that this is wrong. Jesus gave us the commandment to love one another as he loved us all. **(John 13:34-35)** Pope Francis also had a message for the people of America when their protests became too violent you can watch his message here: <https://www.vaticannews.va/en/pope/news/2020-06/pope-francis-usa-george-floyd-protests-no-racism-violence.html>  
I would like you to watch the following clip about a girl in primary school who suffered because others were mean and nasty to her because of the colour of her skin. There is also poetry from Benjamin Zephaniah. <https://www.bbc.co.uk/bitesize/clips/zqvnvcw>  
This week I would like you to write your own poem or create a piece of artwork called 'Love one another' based on the messages given to us by Jesus and Pope Francis. Your job in this poem/artwork is to show that everyone is equal in God's Kingdom and celebrate our differences as we are all made in the image in likeness of God.
