

Homework Week beginning 21st September 2020

Contractions

Rules

- In contractions, the apostrophe shows where a letter or letters would be if the words were written in full. Examples: - can't - cannot & he will - he'll
- It's means 'it is'. Example: - It's raining
or
- sometimes 'it has'. It's been raining but it's is never used for the possessive.

Write the contractions of these words and put them in a sentence

do not	will not	how is
can not	are not	it is
she would	did not	it will
she will	could not	it would
she would	has not	might not
had not	have not	must not
