

Pick and Mix Homework 1

RE

Investigate what it means to be a 'Zero Hero' on the Cafod website.

<https://cafod.org.uk/Education/Primary-teaching-resources/Zero-Hero> How can we, at St Mary's, help to stop climate change? Create a leaflet or poster explaining all your ideas. Conduct some more research if you need to.

English

We are learning about the Loch Ness Monster. Create your own monster that might live near you! Imagine that you are an eyewitness to the monster. Explain what you saw and describe it.

Your monster might live in the River Ribble or on Beacon Fell!

Science

We are learning about electricity. Although this is exciting, we know that electricity can be dangerous. Watch the clip and play the game on the following website

<https://www.bbc.co.uk/bitesize/topics/zjrrd2p/articles/z96ckqt> Can you make an information poster explaining how to stay safe around electricity? The best ones will be uploaded to our class page.

Maths

Look at the numbers above. Can you work out the pattern? The number in the top circle is the difference between the two numbers in the lower circles. Can you create some of your own number pictures which follow this pattern? What is the largest difference that you can make?

Geography

Make a map of your local area. Can you use symbols and draw a key so that your map is easy to understand. The best maps will be uploaded to our class page.

Please get an adult to email me any of these completed tasks. I cannot wait to see your brilliant work!
