

## Pick and Mix Homework 2

### RE

We are learning about 'The Bible.' Look up a well-known Bible story and retell it using words or pictures. Can you explain what the story teaches us?

### English

The monster pet shop! Imagine that you run a monster pet shop. Create pictures with labels of the many monsters that you sell. Once completed write an advert describing one monster you are trying to sell. How could you persuade someone to buy the monster? How might it be useful around the house?

### Science

Visit the following website to discover about power stations.

[https://kids.kiddle.co/Power\\_station](https://kids.kiddle.co/Power_station) Can you make an information poster detailing the different ways electricity can be generated. Try to use a diagram with labels to make your work interesting.

£5.99

I buy three shirts. What different possible totals could I pay?

Every shirt is reduced by 50p. Is £45 enough to buy all of them?

### Geography

We are learning about Scotland as part of our Loch Ness work. What do you know about this country? Research to discover more and then create a leaflet or factfile.

Please get an adult to email me any of these completed tasks. I cannot wait to see your brilliant work!
