

Homework Week beginning 23rd November 2020

Homophones and near homophones:

A homophone is a word that is pronounced the same (to varying extent) as another word but differs in meaning. A homophone may also differ in spelling. The two words may be spelled the same, as in rose (flower) and rose (past tense of rise), or differently, as in rain, reign, and rein.

Watch this video link to explain homophones and near homophones

<https://www.bbc.co.uk/teach/class-clips-video/english-ks2-wonderful-words-homophones/z732t39>

Match the words that sound the same, then look up their meanings and write them in a sentence.

ball	fair	grate
groan	bawl	here
hear	heal	bury
plane	weather	scene
great	grown	plain
berry	who's	fare
their	knot	whether
heel	mane	whose
not	seen	there
they're		main
