

CLASS 4 Project– 5/01/21

In History this half term, we are going to be learning about the Anglo Saxons. I want you to complete a topic project today by researching who the Anglo Saxons were.

1. Use the following link to find out about who the Anglo Saxons were, their villages and jobs.

<https://www.bbc.co.uk/bitesize/topics/zxsbcdm/articles/zq2m6sg>

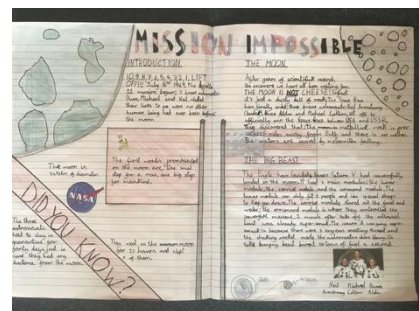

Watch the video and read the information on the webpage about who the Anglo Saxons were. Whilst watching and reading, jot down any facts that you want to include in your project.

2. Using 'KidRex' find out about another area of the Anglo Saxons.
<https://www.alarms.org/kidrex/> Eg. Alfred the Great, clothing, art, culture etc.
3. Create an information poster about the Anglo Saxons including the information from the above website and an area about the Anglo Saxons that you researched yourself.

Steps to success in your information poster:

- Use a heading for your information poster and split your facts into sections under sub-heading eg. Anglo Saxon Villages
- Add pictures and diagrams to help the reader understand your information.
- Use noun phrases and extended noun phrases to describe the Anglo Saxons.
- Use complex sentences to make your writing more interesting (using the subordinate conjunctions – whilst, when, as, since, after, although, before, because).
- Use different sentence starters to engage the reader.
- Remember to add colour and set your poster out in an exciting way!

Ideas on other topics for how to set out your information:

Please email your completed project to me at – crosby@lea-st-marys.lancs.sch.uk
Please to take your time and complete it to a high standard. If you run out of time to finish it today, I have put it as our weekly History activity so you will have some time to finish it later in the week. Remember, you will win house points! I look forward to seeing your projects soon!

Miss Crosby
