### **Wonderful News!**

This week we have some wonderfully exciting news to share with you all. Mrs Jennings is delighted to announce that she is expecting her second child due in October. I am sure that you will wish her and her family every congratulations.

### **Mrs Charnley's Message:**

This week has been a testing week for the Year 6 and Year 2's and what has impressed me is the mature way our children have worked together. You showed such resilience to have kept going with a smile on your faces and supported each other so positively. All your hard work and the tireless support from staff and governors has meant you have truly done your very best. Well done to all of you.

This Sunday sees some of our Year 3 children celebrate their First Communion at the 9am Mass. This is such a special time for our school family, as we support the children on their faith journey. Please keep them in your prayers.

What a difference the weather makes in school, it has been lovely to see the children being able to play on the field at play times. Please try to remember to send in a hat and apply sun-cream -remember that sun-cream can be applied and lasts 12 hours which is great for school.

Have a lovely weekend and let's hope the weather stays with us.

### **Reception Pupils – Parent Link~**

As we continue to build links with our families we would like to invite parents/carers of our Reception pupils into school on Tuesday 21<sup>st</sup> May 2019 from 3.00 p.m. The children will share their Learning Journeys and there will be an opportunity for you to celebrate their learning and add your own comments. We hope you will come along and join us!!

### **'Get Active Morning'**

On Friday 24<sup>th</sup> May we will be celebrating the opening of our trim trail. Throughout the morning we will be working in house teams completing sporting challenges. This will be followed by a picnic lunch on the field. Please can all children wear a tee shirt in their team house colour.

## **Supervision Before and After School**

Please ensure that all children are supervised on the front playground before the start of school and at end of the day. For health and safety reasons children are NOT permitted to use the trim trail without the supervision of a member of staff. Children are NOT permitted to use the trim trail at any time before or after school. The gate is closed at these times and children are not permitted to 'hop' over the wall.

## **Sun Cream In School**

In order to have sun cream in school your child must have completed a permissions form (this letter has been issued separately). Due to health and safety reasons creams must be applied by the pupil, be provided in a bottle with your child's name and class on and be accompanied by the reply slip. You may wish to apply sun cream before the school day starts.

For warmer days you may wish to send a hat into school for breaks and lunchtimes and an additional drink. As shared previously, pupils are only allowed water in the classrooms and this should be in a bottle with a sports cap. Pupils also have access to the water fountains at all times.

## **Extra Curriculum Clubs**

Clubs will recommence after half term in June (*more details to follow*).

## **Friends of St Mary's Meeting – 21<sup>st</sup> May 2019**
