Dear Parent/Carer,

We have had an extremely busy week in school, working hard and having fun learning. This week the children will be bringing home their 'Wonderful Work' books which provide a snapshot of the learning we do in school. It is lovely to see how proud the children are of them and I know that they are looking forward to sharing these with you at home. They most certainly enjoy sharing your parent comments with us when they return their work books.

Bright for Sight

Find your brightest clothes, tops and trouser, skirts, tights, shoes, socks and hair accessories and wear them all at the same time! On Friday 7th February we will be taking part in the 'Bright for Sight' fundraiser for Galloways, a local charity who have been a tremendous support to our school in the past when we have supported visually impaired children. We are asking for a £1 donation and for the children to be as brightly dressed as possible to show our support for the fabulous work the charity does.

School Website & Curriculum Information

The school website has a wealth of information regarding the learning taking place this half term. On each class page there are photos, curriculum information, the pick and mix homework menu for your child's class and links to external websites such as 'Purple Mash' and TTRockstars. We hope you find all of this information useful when supporting your child at home and if you have any suggestions for further improvements please do let us know.
