

Hello! My name is Mrs Jennings and I will be one of your teachers in class one.

I am really looking forward to meeting you very soon.

*This is a little bit about me...When I was at school one of my favourite things to do was Art. I now really enjoy getting creative at school and home.*

*I have a little girl called Lola and we love to make things together and I have a new baby called Jude.*

*When I am at home with my family, we enjoy taking our dog (Brocco) for walks on the beach.*

*When you start school, I will be very excited to get to know you and hear about all your favourite things. Our very first topic will include finding about each other and I can't wait!*
