

## Mrs Jennings holiday challenge

What is one of your favourite books to read?

Choose a book to bring to school to share with your new class.

Along with your book make something to show this could be a drawing/painting of your favourite character or you could make a prop to help tell the story like a mask or finger puppet.

After reading 'The Very Hungry Caterpillar' we used an old cardboard box to make our own butterfly wings!

I can't wait to read your favourite books and see your lovely creations.
