

Mrs Williams Holiday Challenge

Summer is a great time to have a picnic. Can you help to make a picnic for your family to enjoy? You could even invite your favourite teddies!

You could help to make some sandwiches or cakes. You could even decorate some cakes or biscuits with icing, sprinkles or chocolate.

Bring a photo of your picnic to share with your new class.

You could even draw or paint a picture of your family to share as well.

Enjoy your picnic! I'm excited to see your pictures and to hear all about it.
