Monday 15 th February	Child develop symptoms Seek a Test and self isolate Engage with NHS Track and Trace No need to report to school

Google Classrooms

All classes have now been invited to join Google Classrooms online platform after the half term break, so from Mon 22nd February all work will be on this platform.

Your child's Class Teacher will have put all the information you need on the class pages of our school website. It will show you how to register and get all the log in details that you need.

This will still contain all the great links we have provided to families such as links to the Oak Academy, Purple Mash etc. etc. and Staff will continue to provide videos as we have been doing to explain remote learning. As I shared in my last Head Teacher's video we believe that this will bring many benefits for both staff and pupils.

As always, should you have any questions, queries or comments, as we always say please do get in touch with either the staff or myself and we will always come back to you.

Wellbeing Resources

We are pleased to be able to share with you the new 'Wellbeing Booklets' which have been prepared for us by CCats. This will be an additional useful wellbeing resource to support you at home. You may choose to work through them on Wellbeing Wednesdays or at any time that suits you. These booklets will be produced weekly.

On Wednesdays, Dan from AFC Fylde, will also prepare a sporting activity for pupils too and this should be soon available on each of the class pages. We understand the importance of physical activity to support mental health and so we hope these sessions will be well received.

We do wish to continue to work in partnership with you, more so than ever in these challenging times. As a Staff we are committed to supporting our pupils whether in school or learning at home through continually reviewing and developing the provision we offer, offering wellbeing activities and resources and supporting pupils with therapeutic support as required.

I hope you all have a lovely half term break as a family and look forward to speaking to you all again soon.

Kind Regards,

Mrs. A. Brogden
Head Teacher
