*Happy are those who hear the word of God
and keep it' Luke 11:28*

Dear Parent/Carer,

We reach the end of our first week back at school and have been blessed by some wonderful sunshine as we start our new school year together as a family.

It has been fantastic to welcome pupils back for the new school year and may I thank you, our families for ensuring pupils look so smart.

Canon Adrian shares with us a special prayer for the start of the School Year....

*Heavenly Father,
We ask you to bless us as we begin a new school year. Give us your
gifts of joy, hope and zeal. May everything we do and experience be for
your glory and our eternal happiness.
We make this prayer through Jesus Christ our Lord.
Amen.*

Our full Uniform details can be found on our school website should you have any questions/ or need clarity. May we remind families that pupils should have long hair tied back and hair accessories must be in school colours. All pupils require a full PE kit in school each day. Bang Bang Uniform suppliers are now able to deliver any school uniform items to school for collection and you can simply pay over the phone. Bang Bang are the stockists of our staff and pupil hoodies - pupil hoodies are priced at £14.99. They also stock all other uniform items. Should you require this service, just ask in the office.

As I have shared previously, it is important that when we relax any measures we do so in a manner that considers that many people have different comfort levels - adults and pupils alike. We have slowly built up interactions between pupils - shared lunches, shared playtimes etc. and we continue to ensure that the safety and wellbeing of all remains our

priority. Sadly we still see many cases of Coronavirus both locally and nationally and as such we must continue to work in partnership to reduce the spread. As Schools we are still seeing many cases.

We would remind families that wherever possible, only 1 adult drops off or collects to reduce the number of adults on the yard. Please avoid coming into the School Office unless absolutely necessary. We have a maximum number of 3 adults in this area for safety and would ask that you continue to maintain social distancing.

If pupils are travelling on the school bus they are strongly encouraged to wear a face covering on this dedicated transport service.

To help us reduce gatherings and congestion particularly at collection time, we would ask families to wait in the same lining up point that pupils stand at in a morning.

To provide clarity, please see below some Frequently Asked Questions in regard to Coronavirus

My child has Coronavirus symptoms what should I do?

Telephone the School Office to advise your child will not be attending as they are symptomatic and book a PCR test at a test centre. Once this result is returned share this with school via email. If the test is negative and the pupil remains well they may return to school.

We do not have to isolate anymore do we?

Bubbles at school are removed and as such, if your child has been in contact with a positive person at school, the whole Bubble will no longer be required to isolate for 10 days. All 'Close Contacts' will be required to take a PCR test and, if this is negative, they may return to school.

NHS Track and Trace will work with families to identify 'Close Contacts'. I would strongly encourage you to liaise with school so we can support you with this and reduce the spread. As you will appreciate staff will be best placed to identify pupils who have sat together, played together etc. etc.

Someone in my household is positive. Can my child attend school?

We would require the pupil to seek a PCR test and share this result with school via email. If the pupil is negative please remember that this is a negative result at the point of the test and your child could still develop Coronavirus within the Isolation period. We would strongly encourage a daily Lateral Flow Test and ask families to reflect upon the risks to other pupils and staff within school. We want to work in partnership to ensure we keep each other safe and are grateful for your support.

Letters have been circulated for the After School Extra Curricular clubs led by our coaches. All clubs run from 3.15 until 4.00 pm. We ask that pupils ensure they have appropriate kit and footwear and an extra drink. We expect that all pupils are committed to attending every week or places will be offered to a pupil on the waiting list. Thank you for supporting us with this.

See Saw App

Thank you to all our families for your commitment to the See Saw App and the positive feedback you have shared. We now have the vast majority of families signed up on See Saw. All pupils have been issued with a letter and QR codes to enable you to download this free App.

The purpose of the See Saw App is to share snapshots of your child's learning. Pictures, samples of work etc. and celebrate pupils in times where we are still reducing visitors into school for safety.

As you will appreciate, the most important thing our staff will do is spend time with your children helping them learn and grow and as such we will not necessarily share pictures or messages each day.

If you wish to contact school/ staff for an urgent matter, for example to advise a different person is collecting, to book into late pick up, to advise a pupil will need to use the school bus etc. these messages must go through the School Office and not via the App. As staff are teaching they may not pick up any messages sent through See Saw until a later point.

Staff are always available at the start and end of the school day and as ever can be reached via email. Staff emails are highlighted below for clarity.
