

St Mary's Catholic Primary school remote learning planner Class 4

- if you have any queries regarding your child's learning please email your child's teacher- taylor@lea-st-marys.lancs.sch.uk We would love to see pictures of your home projects too!

Here are some additional ideas for home learning for those who cannot be in school at the moment. This is to be used in addition to the 5 day plan that is also on our class page. Spellings will be uploaded to Seesaw as normal. I have uploaded links to lots of lessons in English and Maths below so do not feel like you have to do them all! Remember to email me or seesaw any work that you complete.

Stay safe

Mr Taylor

English

Persuasive writing.

Should we have to wear a uniform at school? Follow the link below to access ten lessons on persuasive writing. In this unit you will learn the features of persuasive writing before planning and writing your own persuasive letter!

<https://classroom.thenational.academy/units/school-uniform-persuasive-writing-4ef1>

Spelling

The spellings will be uploaded to Seesaw. If you do not have them please feel free to email me.

- Pyramid words
- Say, copy, cover, write, check
- Spiral words
- Picture words

Can you put the words into sentences which make sense? Why not get an adult to give you a spelling test at the end of the week?

Maths

For a maths starter visit the following website

<https://www.topmarks.co.uk/maths-games/hit-the-button> Practise times tables on hit the button.

In school we have been learning the formal written method for addition and subtraction. Working at home I want you to practise this skill for decimal numbers! Follow the link below to access 15 lessons on decimals!

<https://classroom.thenational.academy/units/calculating-with-whole-numbers-and-decimals-4fe5>

R.E

Stewards of creation.

Pope Francis calls us to be stewards of creation. We are challenged to leave the planet in a better condition for future generations. On this theme, Pope Francis wrote a letter to the world called Laudato Si. Watch what was written in the letter here-

<https://cafod.org.uk/Education/Primary-teaching-resources/Laudato-Si-for-children>

Once you have watched it consider how we can care for our common home. Can you make a poster suggesting ideas of what we can do? Perhaps you could link it to your English work and write a persuasive letter arguing why we should all do our bit!

Geography

South America

In class we are learning about South America. We are especially researching the unique location of the Amazon rainforest. Research about the rainforest using the following website [https://school-learningzone.co.uk/key_stage_two/ks2_geography/rainforests/rainforests.h](https://school-learningzone.co.uk/key_stage_two/ks2_geography/rainforests/rainforests.html)

[tml](https://school-learningzone.co.uk/key_stage_two/ks2_geography/rainforests/rainforests.html) Then complete one of the following-

- Create a poster or letter arguing against deforestation.
- Create a diagram which outlines the different layers of the rainforest and the key features of each.

Science

Habitats.

Animals live in habitats. They are adapted to survive in certain conditions, for example a penguin would struggle to live in Preston! Visit the following brilliant website to learn about which animals live where.

<https://www.dkfindout.com/uk/animals-and-nature/habitats-and-ecosystems/> Choose one of the habitats and create an information poster/ booklet explaining the animals that live there and how they are adapted to do so. Look up on an atlas where on the globe they are located.

- Research the animals of the rainforest and create a factfile or presentation to show to the class when you get back to school.
