Dear Parent/Carer,

An action packed week in school with exciting activities:- author visit, willow weaving and even dinosaur eggs!!!!

SATs week

A special well done to our Class 2 Superstars for their efforts this week. Mrs. Sullivan, Mrs. Ellis and Mrs. Coulter are very proud of the Year 2 pupils for trying their best.

Next week is Key Stage 2's formal SATs test week. Pupils have been invited to join the Brain Gym Breakfast Booster sessions to help them prepare. We would remind them of the importance of a good night's sleep to aid concentration.

Pupils complete SATS in different rooms so we ask that all families are punctual so as not to cause any disruptions or distractions for our Year 6 pupils during this week.

All we ever ask is that pupils do their best and we will be incredibly proud of all they achieve!!

EAT- Passport to learning

Today Mr. C. re launched our Passport to learning in Celebrations assembly. This is a fantastic book of experiences that are special and unique to learners at St. Mary's School. The experiences were created from ideas from all stakeholders- Staff, Pupils, Governors and of course our families.

Class 3 Passport Activities – Cycle A

Experience	At School	At Home
Watch a theatre show		
Mindfulness colouring session		
Yoga		
Make and bury a time capsule		
Have an outdoor day		
Meet an animal		
Visit a place in the local community		

Class 3 Passport Activities – Cycle A

Experience	At School	At Home
Learn about a family members job		
Cloud watching		
Visit a historic place		
Sing a song in a different language		
Control an object using ICT		
Teach someone something new		
Talk about how we can make the world a better place		
Plan and share a picnic		

Each class has experiences that they will be given to enhance and enrich the curriculum and school life and pupils are invited to share these experiences at home too!!

Your child will have brought a copy home of the above sheet too so you can plan have a go as a family.

These passport activities were chosen by children, staff and parents and are designed to show just how unique St Mary's is. Each class has a different set of experiences that they will complete throughout the year in school, but if you wanted to complete these activities at home as well, that would be AMAZING! Just remember to send your photographs into school on Seesaw, so we can share them with everyone else. Once an activity has been completed, each child will be given a sticker to stick into their passport, to show it has been completed. The passport will then be passed up to the next class when they move classes, ready to start the next set of experiences. Once they have completed Year 6, their passport will be sent home to show the learning journey they have been on while at St Mary's. Where will your learning take you? Mr. C. Enrichment and Curriculum Lead.

Supervision on the yard!

A reminder that staff will only be available from 08.45 a.m. on the yard and until 3.15 p.m. as staff hand pupils over. As the weather improves I realise pupils may remain a little longer on the playground as families gather and talk. Staff are not responsible for any injuries/accidents outside of school hours. We have noticed a number of pupils playing in the front playground, walking on the wall etc. which as you will appreciate poses a significant Health and Safety risk. We would ask for your co-operation in this matter.

Author Visit – Bertie the Very Blind Bat

All the key stage one pupils enjoyed a visit from an author on Wednesday and got to enjoy a book reading of Bertie the Very Blind Bat by Joanne Moore. A link to order the book is once more shared below.

Uniform

As we are now in the summer term, as has been shared previously, all pupils should now be in summer uniform. This is the case at most schools and the transition into one type of uniform during this summer term creates consistency. I thank you for ensuring pupils look smart and are 'the best they can be'.

Our uniform reflects the very high standards and expectations we have for all at St. Mary's and your support is greatly appreciated.

As ever – If you do wish to discuss any individual matters please do contact me directly at school and I shall always try to support you.

Full details of our correct school uniform can be found on our school website. For your convenience the uniform details are also listed below.

As you be aware we are in our transition period and as such I detail the uniform for both versions.

Current/ Old Uniform

Blue polo shirt. Sweatshirt or cardigan. Grey knee length tailored shorts. Grey ankle socks. Black school shoes.

Light blue checked dress. Sweatshirt or cardigan. White ankle socks and black school shoes.

New Uniform – Statutory from September - Transition period at present.

Short sleeved shirt with tie. Jumper or cardigan. Tailored grey shorts. Grey ankle socks. Black school shoes

Light blue checked dress. Cardigan or jumper. White ankle socks. Black school shoes.

Only summer dresses are permitted and not checked shorts or skirts.

Please note: Long hair must be tied back. Hair accessories must be in school colours only. Trainers are not permitted. Pupils will be asked to change into PE pumps and loaned items from lost property if the appropriate items are not worn.

Any exceptions to the uniform for religious/ medical purposes must be discussed in advance with myself.

All pupils are required to be in full uniform – So, for example, if pupils are in the new uniform they must wear a tie at all times. Shirts must be buttoned and tucked in. Thank you for working with us to ensure all pupils are in our correct uniform and feel proud to be the best they can be!

Covid-19- Important information

Government advice is as follows;

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend

Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days

We ask for your continued support in helping us to reduce the spread as we would with any illness or infection.

If pupils have experienced a high temperature, sickness and or diarrhoea we would ask that they remain at home for 48 hours. Thank you for support.

Breakfast and After School Club

A reminder as we find that demand for Breakfast and After School Club places increases – We do require the forms to be completed and payment received in advance of any bookings. This enables us to plan ahead and on busier days organise 2 staff members ensuring we have the correct ratio.

Booking are only secure once payment has been made. **Pupils will NOT be able to attend unless payment has been made in advance. If you do need to book a short notice session please call the office to enable us to check availability.**

Our clubs are run on a non-profit basis to provide a service to our families. If we do not receive payments in advance and have outstanding payments due we will not be able to continue to run our clubs.

Should you require a booking form for either please see Mrs Lofthouse or Miss Harrison
Thank you for your ongoing support.
