

## Governor of the Month – October

‘Loved and Inspired by Mary ....  
We shine and learn as a family of God’

Hi, my name is Jackie Fitzpatrick and I'm the Vice-Chair of governors.

I am a Foundation Governor, which means I was appointed by the Church. My church is St Mary's, our lovely church which is opposite school. How lucky we are to have such a beautiful church, a caring community and a very special school. One family with God.

I feel very blessed and privileged to be part of the St Mary's family. You the pupils are always so welcoming and an example of how we can be 'loving inspired by Mary and shining as a family of God'.

As a retired teacher, I love to still be connected to a school. All the staff work so hard and make me proud to be associated with the school.

I have three grandsons, twins aged 5 and a little boy who has just started school aged 4. These three boys bring great joy and keep me on my toes!

Thank you all for continuing to greet me with smiles. You all make me very proud.
