

Governor of the Month – November

‘Loved and Inspired by Mary
We shine and learn as a family of God’

I am Deacon John Cliffe, Chair of Governors

I was ordained a permanent Deacon on 16.07.2008 by Bishop Campbell and I serve in the Parish of St. Andrew and Blessed George Haydock and also at ST. Mary's Lea Town.

A lot of people think that a Deacon is an assistant to the Parish Priest but a Deacon has his own ministries. I became involved in Education in 1991 at St. Ignatius, I served at Our Lady's Catholic High School. I have also served on the Board of Education. As schools move forward into the Academy status I can assure you the Governing Board will work with staff and families to make this a success. We are all fully committed to the children and all at our School.

I have been married for 53 yrs .I have 3 children all who are married and leading their own successful lives. I have 5 grandchildren and 1 great grandchild. When I do get any free time I like to read and go to the theatre I also enjoy travel.
