Sticky Knowledge
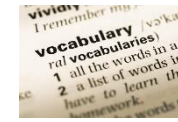

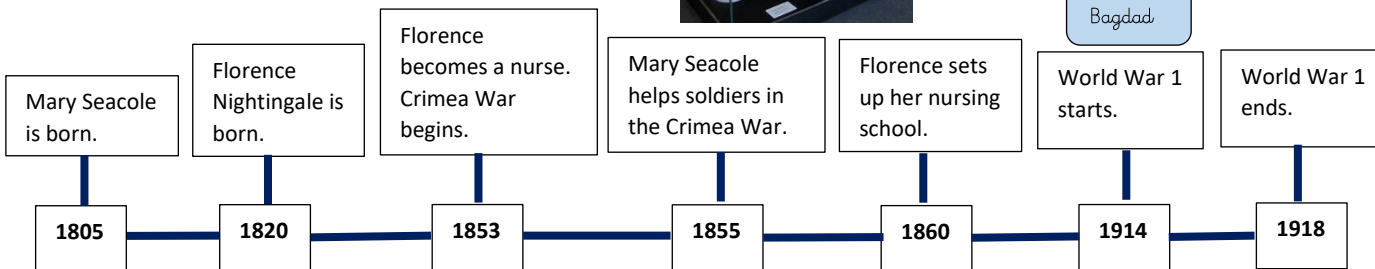

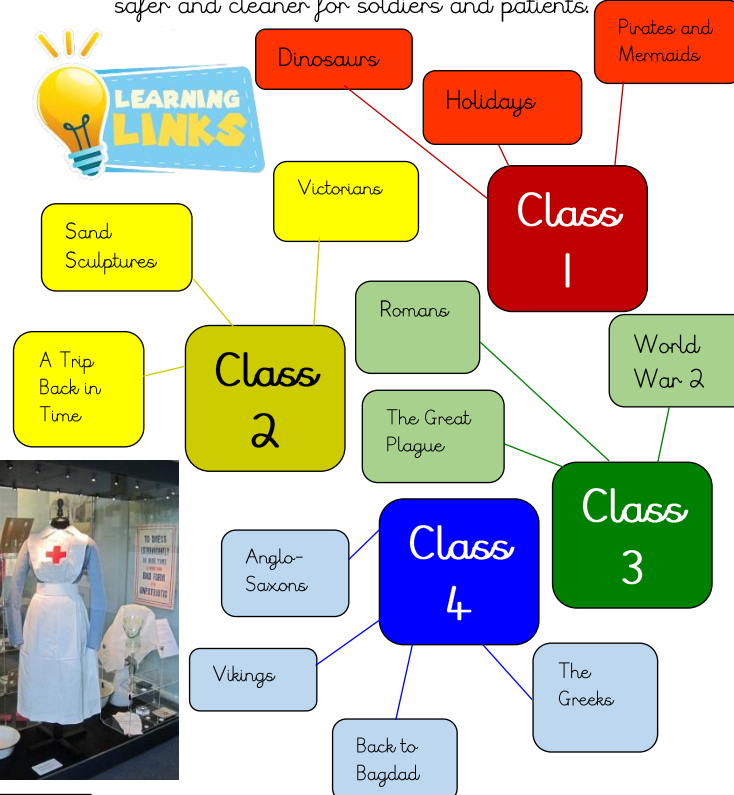

✓ Florence Nightingale was born in 1820.

✓ Florence became a nurse in 1853.

✓ Florence Nightingale is most well known for improving the conditions in hospitals during times of war.

✓ The Crimea War began in 1853.

✓ Conditions in the hospitals were not very nice.

✓ In 1860, Florence set up her own nursing school.

✓ The Crimea War ended in 1856.

✓ Other nurses who are associated with Florence Nightingale are Mary Seacole and Edith Cavell.

✓ During COVID, the army set up portable hospitals called 'Nightingale Hospitals'.

BIG Idea

When Florence first became a nurse, she was shocked by the conditions of the hospitals she worked in. Many soldiers died because they were living in dirty, damp and smelly places. Florence began to make hospitals safer and cleaner for soldiers and patients.
