

# Knowledge Organiser - Where are we going? - Class 3

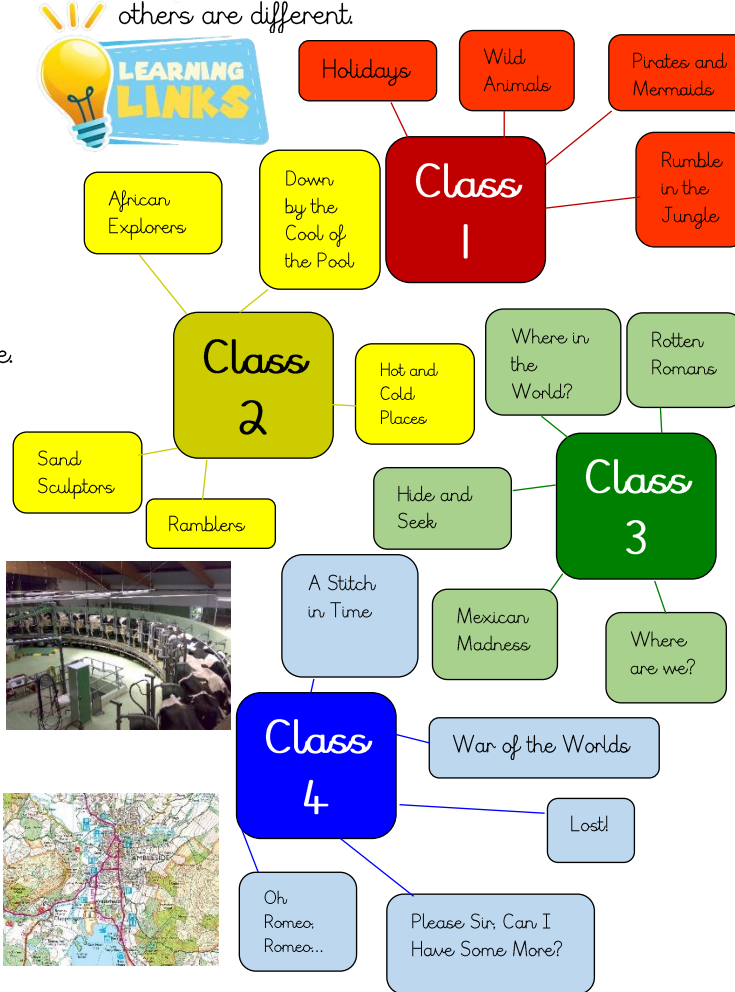

## BIG Idea

There are many different places around the country, some are busy and have high populations, and others are areas with low populations. There are many physical and human features within an area, some are similar and others are different.

## Sticky Knowledge

- ✓ There are seven continents around the world; these are North America, South America, Europe, Asia, Africa, Australasia and Antarctica. There are five oceans around the world; these are Pacific Ocean, Atlantic Ocean, Indian Ocean, Arctic Ocean and Southern Ocean.
- ✓ Human features are objects created by humans e.g. buildings, roads, motorways.
- ✓ Physical features are naturally occurring objects e.g. forests, lakes, rivers.
- ✓ An urban environment is a place located within a town or city.
- ✓ A rural environment is a place located in the countryside.
- ✓ An Ordnance Survey map (OS map) shows the human and physical features within an area using symbols.
- ✓ Arable farming is where crops are grown and sold to make a profit.
- ✓ Dairy farming is where cows are kept to produce large quantities of milk.
- ✓ Mixed farming is where both crops are grown and livestock is kept on the same farm.

## Vocabulary

- Map-** a diagram showing the place where you are.
- OS map-** a map of an area showing human and physical features on it.
- Atlas-** a book/collection of maps.
- Compass-** a device used to tell the direction.
