Breakfast Club and After School Club

Dear Parent / Carer

I write to share some changes we will have to make in regard to our Breakfast and After School Clubs.

Unfortunately, due to continual low attendance, we will not be able to continue to provide an After School Club Service on a Friday until 5.30 pm. Myself and Miss Harrison, as After School Club Manager, have spoken directly to the few families that did use the Friday full service, and effective from next half term, we will only offer one service on a Friday and this will be a session running from 3.15 to 4.15 pm. This session will be charged at £5.00.

Taking on board the needs of our families, we are delighted to share we will be extending the Breakfast Club so this service will now be offered from the earlier time of 7.30 am. The price of Breakfast Club will increase to £4.00 however, in order to support our families and to provide sufficient notice the price increase will NOT be in place until Summer 2, providing all families with half a terms notice for this increase of 50p per session. The extended earlier session will take place immediately after half term.

Following a recent Lancashire County Council survey of all schools, we have been advised that our prices are lower than comparative schools for both Breakfast and After School provision. As we have shared on numerous occasions, we do not operate our Clubs as Profit making but with rising costs and in order to continue to sustain our clubs, we will be increasing the cost of After School Club to £8.00 a session. Those attending the After School club full session will receive a warm food item (Pizza, Noodles etc. rather than just a snack). Again, in order to support our families and to provide notice we will not implement any price increases until the second half of the summer term. The Late Pick up session from 3.15 -3.45 will increase from £3.00 to £4.00 in Summer 2. On Fridays, we will only offer one service (*No late pick up service*) from 3.15 -4.15 priced at £5.00

Summary of Changes
