## **Parking**

As you will be aware, we continue to face challenges with parking. At present, we are unable to park at Westinghouse. The directors will review this and if I receive any additional information, I will share this. As I have shared previously, I also have a meeting planned with Thwaites representatives.

I fully appreciate the challenges the lack of parking brings and would ask for your continued support. I have had numerous comments/complaints from local residents and once more I ask for your continued support.

Please ensure we do not double park, or block resident's drives.

Ultimately, we need to access school and this will bring increased traffic locally within drop off and collection times and this is something that we can't change; all we can do is work together. Our PCSO's have attended and both Police and PCSO's will do unannounced visits. We are certainly not the only school without parking facilities, so I am confident we can make it work.

## **Lenten Planner**

### **Helpful Information:**

Lenten Mass takes place at St. Mary's Church every Thursday at 8.15 am. EVERYONE is welcome. If you are unable to stay, but wish for your child to attend Mass, please ensure your child is safely handed over to one of the staff members on duty, who will be at church. All pupils will be safely crossed over the road back to school after the Mass.

After Mass, we enjoy a breakfast in the school hall...Croissants, brioches, yogurts, hot chocolate, teas and coffees. There is no charge for this and this is kindly funded by the Parish of St. Mary's. A basket will be available should you wish to make any charity donations.

### **Pupils must have attended Mass to attend the breakfast.**

Each week we have an event and details are on our planner. We are raising for charities special to our school family.

## **Roof repairs at School – For information only**

Works repairing the roof are expected to commence next week. The works are funded through a grant we successfully achieved, but works were delayed as we found out we have bats roosting in the loft space! It seems we have several maternal roosts!

I have met with all contractors and those protecting the bats and works are planned to cause minimal disruption to pupils. Rigorous safety measures are in place for scaffolding and fencing off of areas and this should not have impact on the day-to-day access of school.

### **Helping Hands**

With the support of St. Mary's Parish, we have created a '*Helping Hands Fund*' – This means we have a stock of tinned food / non-perishable items and toiletries ...So, if you ever need a little '**Helping Hand**' please just ask and we can gladly put a pack together.
